MEMORANDUM FOR: Director of Central Intelligence

SUBJECT: Travel to Europe of Senator Albert Gore (D., Tenn.)

1. This memorandum is for information only.

2. Senator Albert Gore was designated a member of the U. S. delegation to the First General Conference of the International Atomic Energy Agency in Vienna in October. According to State Department cables, the itinerary of Senator Gore was as follows:

London	23 - 29 September
Vienna	29 September - 5 October
Copenhagen	5 - 8 October
Moscow	8 - 13 October
Stockholm	13 - 16 October
Vienna	16 - 19 October
Paris	19 - 23 October

3. The U. S. delegation consisted of the same members as given in the Durham memorandum dated 6 November 1957. A part of the group including Senator Gore, Representatives Van Zandt, Cole, Price and Patterson went on to Moscow during the middle of October while Representative Durham with Senator Pastore and Representatives Dempsey and Holifield went to Athens and Rome. Senator Gore has published a series of three articles in newspapers about his Moscow travels.
